

The Peoples of the World Foundation

Institutional Education Grant Application Form

Instructions for Applicants

- Organizations working for the education of indigenous peoples may use this form to apply for an institutional education grant.
- Completed application forms should be mailed to:

The Peoples of the World Foundation
Institutional Education
P.O. Box 563327
Charlotte, NC 28256-3327
USA

- Applications must be in English.
- Applications are reviewed biannually. The deadlines for completed application forms to reach us are: June 15 and December 15.
- Due to the number of applications we receive only successful applicants will be contacted.
- Grant recipients must submit regular, satisfactory accounting statements of their use of the funds granted. Details on how to submit these statements will be sent to successful applicants.

Privacy Policy

We will not sell, trade or otherwise disclose information that you provide - such as your organization's name, address or email address. However, information about recipients of institutional education grants and how they use the funds granted will be published on our web site and in our reports.

Please describe in detail why you are applying for this grant and how you will use the funds. Please include at least the following information (use additional pages if necessary). When was your organization started? How many staff members/volunteers are currently in your organization? What programs does your organization have? What are your organization's major past achievements? Which indigenous group(s) will benefit from the grant and how will they benefit? What awards and recognitions has your organization received? What is the charity/nonprofit status of your organization in your country (include official documentation of charity/nonprofit status if possible).
